## **Bath Recreation Limited**

### **Report of the Trustees** **for the Year Ended 31 March 2020**

The Trustees who are also directors of the charitable company for the purposes of the Companies Act 2006, present their report with the financial statements of the charitable company for the year ended 31 March 2020. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charitable company's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The charitable company has continued to deliver its objectives at the Recreation Ground and other sites; the provision, with or without charge, of property in or near Bath (including, but not limited to, the Bath Recreation Ground) for use as indoor (to assist in providing ancillary recreation facilities such as changing rooms, toilets and clubhouses and the like to support outdoor recreational space) and outdoor recreational facilities for the benefit of the public.

The activities and events have built on previous years with the addition of new charities and groups making use of the grounds. The continued growth of the Primary Schools Coaching Hub project is a core activity of the charitable company. This activity brings nearly 1000 school children onto the Recreation Ground for organised outdoor sports each year and, subject to the hiatus caused by Covid-19, is expected to grow over the coming years. Regular use of the Recreation Ground and other sites by many and varied organisations and activities is regarded by the Trustees as a key aim of the charitable company and a valuable measure of a successful period.

The activities undertaken at the Recreation Ground during the year are considered by the Trustees to be of direct benefit to the public at large, and they confirm that they have had regard to the guidance issued by the Charity Commission on public benefit and have followed this in planning and undertaking the activities.

The charitable company does not actively solicit donations from the public and has no need to develop formal policies on its fundraising approach.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

A team of directly employed staff, led by the Chief Executive, develop the grounds and deliver activities. With the Trustees they work closely with a range of stakeholders to deliver the Charitable Objectives.

The charitable company has taken a 125 year lease of the Glasshouse Playing Fields which is home to a wide range of school and community recreational and sporting activity and began the construction of new facilities towards the end of the financial year which will be completed in the year to 31 March 2021. In addition, the Broadmoor Orchard site, including a playpark and recreational space, has been well-used by the local community.

The charitable company transferred funds to a managed investment portfolio in 2018. The value of the portfolio at 31 March 2020 was £884,078. The value of the portfolio at 31 March 2020 was significantly reduced as a result of the uncertainties relating to Covid-19. At 30 June 2020 the value had risen to £985,322. The investment performance is shown in note 13 to the financial statements.

**FINANCIAL REVIEW**

**Reserves policy**

It is the policy of the Trustees that the charitable company should hold sufficient unrestricted reserves to enable it to meet its ongoing commitments and provide sufficient resources to enable it to fund any additional opportunities for the charitable company's objectives to be furthered as they may arise.

Details of the restricted, endowment and unrestricted funds available to the charitable company at the balance sheet date are given in note 18 to these financial statements. The Trustees consider the reserves position at this date to be satisfactory.

The Trustees will more formally set out their long-term policy on reserves once they have clear visibility of income from long standing tenants. This is expected to be within three years.

The investment policy is for a medium to long term investment time horizon with a balanced investment objective.

The charitable company is working towards building a reserve which will allow it to remain financially secure when the 1995 Lease to Bath Rugby comes to an end and the Leisure Centre is demolished when life expired.

The charitable company recorded a surplus for the year of £452,097 (2019: £363,768).

The charitable company receives the majority of its ongoing income from Bath Rugby and Bath and North East Somerset Council for the ongoing use of its facilities. A significant proportion of this income relates to leases granted by the charitable company which have an end date in 2069 and the Trustees are of the view that this provides sufficient security to mitigate any risk to its continued existence.

**Going concern**

The Trustees have considered the impact of the Covid-19 pandemic on the going concern position of the charitable company. After looking at the impact on the operations of the charitable company and the reserves position, the Trustees are of the opinion that the going concern basis for the preparation of the financial statements is appropriate.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity operating through a company limited by guarantee which is the sole Trustee of Bath Recreation Ground Trust is governed by a Scheme dated 14 December 2016, a Direction given on 3 November 2017 and the Articles of Association.

**Recruitment and appointment of new trustees**

The charitable company recruited 3 additional co-opted Trustees on 11 September 2019.

The Trustee body is made up of:

One Trustee nominated by Fields in Trust, one Trustee nominated by Somerset County Playing Fields Association and not less than three co-opted trustees.

When appointing co-opted Trustees, the Trustees must:

- a. identify the needs of the charitable company regarding skills or knowledge of its Trustees; and
- b. consider the extent to which appointees demonstrate the skills or knowledge; and
- c. not appoint members of Bath and North East Somerset Council.

Of the co-opted Trustees, the Trustees must appoint at least one whose skills and knowledge include an ability to represent those groups of beneficiaries that use the recreation ground, other than Bath Rugby.

In appointing co-opted Trustees, the Trustees must have regard to the desirability of advertising or using trustee brokerage services. Candidates must be asked to consider and declare any existing or potential conflicts of interest before appointment.

In the case of nominated Trustees, the person nominated shall be appointed. In the case of co-opted Trustees or in the event that no candidate is nominated by the nominating body within three months of its being notified of the vacancy, the person appointed shall be selected by the Trustees.

At least three of the Trustees must be resident within 5 miles of Bath Abbey.

The Trustees are responsible for monitoring the ongoing risks facing the charitable company. The Trustees are satisfied that major risks have been reviewed and that systems and procedures appropriately established to manage those risks.

**Bath Recreation Limited**

**Report of the Trustees**  
**for the Year Ended 31 March 2020**

**Key management remuneration**

Trustees are not remunerated by the charitable company. Remuneration levels of the charitable company's key management are set in accordance with market rates and kept under review by the Trustees.

**EVENTS SINCE THE END OF THE YEAR**

Information relating to events since the end of the year is given in the notes to the financial statements.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Trustees (who are also the directors of Bath Recreation Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**AUDITORS**

The auditors, MHA Monahans, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the Board of Trustees on 7 July 2020. and signed on its behalf by:

.....  
Geoffrey Fairclough - Trustee

**Report of the Independent Auditors to the Members of  
Bath Recreation Limited**

**Opinion**

We have audited the financial statements of Bath Recreation Limited (the 'charitable company') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

**Report of the Independent Auditors to the Members of  
Bath Recreation Limited**

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Bath Recreation Limited**

### **Notes to the Financial Statements for the Year Ended 31 March 2020**

#### **1. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Bath Recreation Limited as a charitable company established in England and Wales. In the event of the charitable company being wound up, the liability in respect of the guarantee is limited to £1 per member of the charitable company. The address of the registered office is given in the reference and administrative details on page 1 of these financial statements. The nature of the charitable company's operations and principal activities are described in the Report of the Trustees.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The functional currency of the charitable company, and the presentation currency of these financial statements is the pound sterling ("£").

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated

##### **Income**

All income is recognised in the Statement of Financial Activities once the charitable company has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charitable company; this is normally upon notification of the interest paid or payable by the bank.

##### **Fees and rental income receivable**

Fees and rental income receivable are recognised in the Statement of Financial Activities in the period to which they relate. Where fee or rental income is received or receivable in advance of the period to which it relates, its recognition is deferred and included in creditors as deferred income.

##### **Donations**

For donations to be recognised the charitable company will have been notified of the amounts and the settlement date in writing. Income relating to the settlement agreement with Bath & North East Somerset Council to restore and improve the Recreation Ground is recognised when released by the Council.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charitable company to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings	- Nil
Glasshouse building	- 2% on straight line basis
Improvements to property	- 10% on reducing balance
Machinery and equipment	- 25% on reducing balance

No depreciation is charged on land. Assets costing over £250 are capitalised.

##### **Investment property**

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

##### **Taxation**

The charitable company is exempt from corporation tax on its charitable activities.

## Bath Recreation Limited

### Notes to the Financial Statements - continued for the Year Ended 31 March 2020

#### 1. ACCOUNTING POLICIES - continued

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charitable company. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

The charitable company has a single permanent endowment which represents the land and buildings of the Bath Recreation Ground. As described in Note 21, the recreation ground is held by a linked charity

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Linked charities**

Branch accounting has been adopted for the linked unincorporated charitable trust, see Note 21.

##### **Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### **Cash at bank**

Cash at bank includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

##### **Creditors and provisions**

Creditors and provisions are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

##### **Financial instruments**

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transition value and subsequently measured at their settlement value.

##### **Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Critical accounting estimates and assumptions

The charitable company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant impact on the carrying amounts of assets and liabilities within the next financial year are:

- the useful economic life of the charitable company's tangible fixed assets;
- the proportion of the overall land value that relates to buildings on the charitable company's land.

##### Critical areas of judgement

The charitable company includes its land and buildings at an estimated deemed cost / valuation of £4.2m. In the absence of an intention to sell and a committed buyer, this figure is a matter of judgement for the Trustees in consultation with their professional advisers.

Land and buildings represent the Bath Recreation Grounds and the main fabric of the various outbuildings erected on the land between 1894 and 1954. Land is not depreciated and the main fabric of these outbuildings is deemed to have an indefinite useful life and are therefore not depreciated either.

Impairment is considered periodically and commercial valuations are obtained to facilitate this. The latest valuation was obtained from Jones Lang LaSalle dated June 2017.

The Land and buildings of the Bath Recreation Ground are held by a linked charity - The Bath Recreation Ground Trust.

Glasshouse building additions are the costs to date relating to the construction of the building on the Glasshouse playing fields, Bath. No depreciation has been charged in the year as the building is not yet in use.

Improvement to properties represents the conversion of an outbuilding to become the charitable company's office, creation of changing facilities and other building improvements. These improvements have a limited useful life and are depreciated over 10 years.

The freehold of a park off Broadmoor Lane, Bath currently generates no rental income yet incurs annual maintenance costs. Given that the land does not produce a yield to the charitable company, nor has any resale value, the Trustees have decided not to value the land in its financial statements.

The leasehold of the Glasshouse playing fields generate a small income, but the income generated currently does not match the annual running costs. Given that the land does not produce a net yield to the charitable company, nor has any resale value, the Trustees have decided not to value the land in its financial statements.

The investment property built on the Bath Recreation Ground is held by a linked charity - the Bath Recreation Ground Trust.

Bath Sports & Leisure Centre became part of the Trust's assets following a decision of the Charity Tribunal in March 2014 which was reflected in an order of the Tribunal in April 2014. Attached to the asset is an obligation to demolish the building when it becomes life expired. It was not possible to recognise the value of the Sports and Leisure Centre fully until agreement was reached with Bath and North East Somerset Council on how the leisure centre would be used. The Trust have negotiated a lease and other arrangements with Bath and North East Somerset Council which resulted in Bath and North East Somerset Council paying substantial rent to the Trust from 1 April 2014 and assuming the obligation to demolish. The lease and ancillary documents were completed on 22 July 2016 and the full valuation including the Sports and Leisure Centre was included in the year ended 31 March 2018.

The £1,700,000 valuation of the land and buildings as at 31 March 2020 is based on an independent report prepared by Jones Lang LaSalle dated June 2017. The Trustees will take professional advice on the carrying amount of the investment property every five years.

**24. CORPORATE STRUCTURE AND LINKED CHARITY**

The charitable company is an incorporated charity (the new charity), previously its activities were administered through the Bath Recreation Ground Trust (the old trust). The new charity was incorporated on 21 April 2017, but had no activities or transactions until 1 January 2018 when it took over the old trust's assets and operations, with the exception of the Bath Recreation Ground itself. Under trust law the land of the Recreation Ground cannot be held directly by the Charitable Company. Under a scheme agreed with the Charity Commission, from 1 January 2018, the new charity became the sole Trustee of old trust and the old trust became a linked charity to Bath Recreation Limited (linked charity number 1173521-1) and the assets and activities are included in these accounts under the rules of branch accounting.
